Atlantic Social Lab

Study visits

Rennes, 4th July 2018

08:30: Welcome at la Maison de la Consommation et de l'environnement

08:45 – 9:30 Bus to Tezea

09:30-11:15 Tezea (enterprise for creation of jobs for long-time unemployed people in a specific rural area: this is a very special experience, where all public budgets usually dedicated to employment-privation costs are used to create full time and long term jobs: laundry, recycling, woodcutting, car cleaning, maintenance of green spaces, concierge service...).

11:15-12:00 Bus back to Rennes

12:00-13:30 Meeting with 2 stakeholders:

- Au p'tit blosneur (district concierge service)
- La Grenouille à grande bouche (participatory restaurant in a disadvantaged area, which profits are offered to associations located in the same district).

13:30 End of Study Visits

14:00 **Lunch – (dietary requirements)**
